

MEMBERSHIP RECOGNITION AWARDS:

“40 Years of Excellence!”

Each year NADOA honors members of our organization through the Membership Recognition Awards. The awards are given to members who are nominated by their fellow NADOA members in three categories: Interaction, Education and Lifetime Achievement. The Interaction Award is given to a member or organization which has shown leadership in promoting our profession to the community. The Education Award is given to a member who has gone above and beyond to promote education by giving of their time and talents to the betterment of our profession. The Lifetime Achievement Award is given to a member who has shown outstanding leadership in the division order profession through contributions to the industry during his/her career.

In addition to honoring members, NADOA also presents a Corporate Award which is presented to the group/company that has contributed significantly to NADOA's growth and development, the Division Order profession and/or the industry during the past year.

Please read over the categories on the form below and if you know a NADOA member who you feel fits one of these qualifications, please use the form to nominate that person. Be sure to fill out the section detailing the persons/company's contributions and services.

All nominations are due no later than May 17th. Once the nominations are received, the Membership Recognition committee will review the nominations and determine the final candidates for submission to the NADOA Board for a final vote.

Awards will be given to the recipients at the 2012 Annual Institute in Las Vegas in October.

If you have any questions please contact Cheryl Hampton at 713-579-6434 or by email at champton@pxp.com.

Send nominations to: Member Recognition Awards Committee, c/o Cheryl Hampton, Plains Exploration & Production Company, 717 Texas, Suite 2100, Houston, TX 777002, or by email to: champton@pxp.com

Nominations will be accepted through May 17, 2013
